

HOW DO YOU SEE YOUR DISABILITY COVERAGE?

No matter how you look at it, the average company-sponsored disability insurance plan covers only about half a paycheck – which is a lot less protection than you may need. But now you can take advantage of enhanced coverage that can stay with you – no matter where your career takes you. For a free *Supplemental Disability Protection Information Package*, visit www.halfapaycheck.com or call (866) 627-7776. **You can't predict. You can prepare.SM**

FOR BEST PROTECTION: USE SUPPLEMENTAL PRODUCT.

No matter what type of disability insurance coverage you or your employees may have, chances are that it may not be strong enough. The average company-sponsored plan protects only about half a paycheck. But now you and your employees can take advantage of enhanced coverage at little or no cost and administration for you. For a free *Supplemental Disability Protection Information Package*, visit www.halfapaycheck.com or call (866) 627-7776. **You can't predict. You can prepare.SM**
